**Subject:** Supplemental information for the reconsideration request of the Sheboygan County 2008 ozone NAA boundary

Doug,

The attached document provides supplemental information to EPA regarding WDNR's 2013 petition that EPA reconsider and correct Sheboygan County's 2008 ozone nonattainment area boundary. This document primarily asks EPA to consider the certified data from the Sheboygan Haven monitor in the context of the previous request. A hardcopy was also mailed today. Please let Gail or me know if you have any questions about this submittal.

Regards,  
David
